

Be a rare leader.

We're hiring: Account Director, Oncology Account Director, Neurology Hub Operations Supervisors

As the **fastest-growing healthcare company in Western Pennsylvania**, we need leaders that are ready to grow with us; ready to rise to challenges; ready to apply their experience to bring the best out of people and raise their hands with innovation-driving ideas.

Our leaders make an impact everyday on the lives of patients and the ongoing success of the company. RareMed reciprocates with a positive, engaging, and supportive work environment that prioritizes leader growth.

RareMed is looking for talented individuals that are ready to take the next step in their career. **Invest in yourself with a leadership role at RareMed.**

Up to the challenge?

At RareMed, we accelerate access to medical breakthroughs. We take providing solutions for patients seriously, and our leaders are instrumental in innovating and delivering those solutions with care and compassion.

Our teams deliver award-winning patient satisfaction. RareMed earned the highest patient satisfaction score of any specialty pharmacy entity in the country in the last two MMIT surveys in which we participated.

It takes skilled leaders to inspire team members to provide such high levels of care, but doing so provides a sense of fulfillment unparalleled in any other career.

Finding a career where one can have such a positive impact on people's lives while also improving his/her own life is truly rare.

Ready to Grow?

Opportunities for growth at RareMed are as boundless as the ever-growing world of rare and complex disease therapy. And RareMed invests in our leaders to facilitate growth.

All RareMed leaders participate in leadership training programs to hone their skills and improve their mindfulness. RareMed leaders expand their knowledge through interdepartmental project ownership, educational programs, and cross-functional shadowing opportunities.

The result is unparalleled team member satisfaction. A recipient of Pittsburgh Business Times' Best Places to Work award and Pittsburgh Post-Gazette's Top Workplaces award for three years running, RareMed fosters a values-driven culture anchored on Positive Mindset and Mutual Growth. Our team loves living the #RareLife.

Take the next step.

With our deeply-rooted culture and vital mission, we take fit seriously. That's why we seek out the most talented, experienced leaders to drive our company forward.

Rare leaders are:

- Authentic and inspirational
- Collaborative and empowering
- Positive and supportive
- Listeners as well as communicators
- Strategic, big-picture thinkers
- Motivated self-starters
- Hard-working with high standards
- Adaptable and open
